Subject: Renewal Approval for HDPE Pipes and Fittings Solid Wall as Manufactured by Messrs. Doha Regional Plastic Solutions in their Factory in Qatar

Dear Sir,

The Vendors Prequalification Committee (VPC) refers to the application submitted with PWA Reference 2022/0025972/1, and your request to renew the approval for Messrs. Doha Regional Plastic Solutions as an approved manufacturer for HDPE Pipes and Fittings Solid Wall as it appears on the Approved list for Drainage : <http://www.ashghal.gov.qa/en/Services/Pages/ApprovedMaterialHome.aspx> to be used in ASHGHAL Projects;

Following our general evaluation process, the Committee has decided to approve the renewal. This renewal approval is valid for a period of three (3) years from the date of this letter, and it will be subject to the Authority's review at any time throughout this period. It is the Vendor's responsibility to apply for the renewal three (3) months prior to the expiry date, otherwise they will be removed from the authority vendor list.

The quality and performance of Messrs. Doha Regional Plastic Solutions as an Approved Manufacturer shall be closely monitored by the Authority at all times to ensure that the required standards are met. If it is found by the Authority at any time that the quality and performance is failing to meet the expected standards, then the committee reserves the right to withdraw their Approval. It is also the company's responsibility to ensure full compliance to the requirements of the latest version of Qatar Construction Specifications (QCS) as well as the relevant project specification requirements of any particular project

Lastly, kindly note that this approval shall not be interpreted as a guarantee for providing materials or services for any ASHGHAL projects and the Authority shall not be held responsible nor accept any liability for Manufacturer / Supplier / Subcontractor losses, expenses, damages to reputation or any other damages whatsoever arising out of or in relation to taking part in the authority prequalification procedure.
